

**SAINT JOSEPH
SYMPHONY**

To Whom It May Concern:

The New Generation Singers is a tremendously exciting, and talented group of young singers that specializes in contemporary Christian music, but their abilities go well beyond a single musical style. They have been the featured performers with the St. Joseph Symphony several times over the past few years, and have performed a wide range of music – from Baroque to Contemporary. They don't seem to mind at all getting outside of their musical comfort zone, and they have done a really great job for us whenever they have.

They are a really well organized and managed group too – always on time, and ready to go on schedule. They have always arrived extremely well rehearsed, and with a completely professional attitude from the very first rehearsal. It has been a real joy to work with them. I recommend them!
