# NEW G'S PATH

**1970**

Byron Myers and a group of young singers dreamed of performing year-round, not just at Christmas. That dream became New G.

**1971**

Byron and Phyllis Myers led the first tour to Texas, starting a tradition of summer tours that continues today.

**2024**

We went on tour to California, stopping at national parks and spreading joy with our theme: "Enjoy."

**2025**

This year, we're heading to Florida with the tour theme "Find the Way", focused on purpose and direction.

**1972**

On a tour to California, Henry Butcher gave the group handmade crosses, now a lasting symbol of New G's faith and unity.

**2020**

COVID kept the group from in-person rehearsals, but “De-Tour” kept us connected and committed to our mission.

CELEBRATING  
**newG**  
55 YEARS

**55TH ANNIVERSARY**

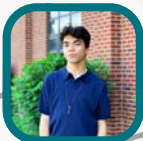

We celebrate 55 years of sharing God's love through music—"We are still here because God still has something for us to do."

## WORK

## CREWS

Page by: Kristen S.

Work crews are lead by the singers. Each singer has an assigned role within their crew. Sponsors help guide the crews by teaching them leadership skills. We also have year-round committees, such as ways and means, publicity, and social committee.
