

PRESS RELEASE 2026

FOR IMMEDIATE RELEASE

The New Generation Singers Announce their 2026 Northwest Tour: **Journey to the Rockies and Beyond**
ST. JOSEPH, MO – The New Generation Singers (New G), St. Joseph’s premier contemporary Christian youth singing group, is thrilled to announce their 2026 summer tour. For 56 years, this high-energy ensemble of high school and college-aged performers has traveled across North America, using music and sermon to share a message of hope and faith.

Founded in 1970, the New Generation Singers have evolved into an internationally recognized group representing a diverse range of denominations. Their history includes prestigious performances at the Statue of Liberty, the U.S. Capitol (earning a mention in the Congressional Record), and the West Point Chapel.

2026 Tour Highlights

This year, the Singers are headed to the majestic Northwest. The tour will feature breathtaking stops along the Going-to-the-Sun Road in Montana, a journey into Canada to witness the beauty of Banff National Park and Lake Louise, and a trek to the Jasper Icefields. Along the way, the group will perform across the lower 48 states, with planned stops at iconic landmarks including Mount Rushmore and the U.S. Rocky Mountains.
Local Performance Details

The New Generation Singers invite the entire community to experience their energetic and meaningful message through song.

- Location: [Church/Venue Name]
- Address: [Street Address, City, State]
- Date & Time: [Day/Date] at [Time]

All are welcome to attend this free performance. A goodwill offering will be accepted to help the group remain self-sustaining as they continue their mission of "Changing Lives for over 50 Years."

About New Generation Singers

The New Generation Singers is a 501(c)(3) non-profit youth organization based in St. Joseph, Missouri. Comprised of high school freshmen through college-aged young adults, the group prepares year-round to deliver a professional-caliber touring ministry. For more information, visit www.ngsingers.com.
