# \* OUR DIRECTOR

Bemo Myers has been directing New G for over 20 years. His father, Byron Myers, founded the group in 1970. Bemo is married to his wife, Carol Myers, of 38 years this June. He has been recognized by the Youth Alliance in St. Joseph for his leadership and developing youth in our community. He is the CEO/President of Specialty Industries in St. Joseph, MO.

Carol is Director and Assistant Director for the Robidoux Theater. Together, they have two children, Mia and Joey, who were in the group as kids, and are active in the arts today. The Myers continue to be bright lights and leaders for everyone in this community.

## THE NEW G BAND

Before becoming our accompanist 18 years ago, Chris Alexander started as a singer in New G. In 2022, he was inducted into the New G Hall of Fame to honor all he's done for us, including providing over 30 custom arrangements for New G.

We would also like to thank band members, Oliver French, Jeffery Bradford, and Ethan Howell. Ethan has been playing guitar for New G for over 10 years; Jeffery was a singer many years before he played bass for New G; and this is Oliver's third year with us.

New G appreciates the band's musicianship and dedication to sharing their God-given talents.

## 1970

Byron Myers and a group of young singers dreamed of performing year-round, not just at Christmas. That dream became New G.

## 1972

On a tour to California, Henry Butcher gave the group handmade crosses, now a lasting symbol of New G's faith and unity.

## 1981

New G performed on the Capitol steps in Washington D.C. for the second time. The first time, 1977, Rep. Tom Coleman (MO), had their performance entered into Congressional Record.

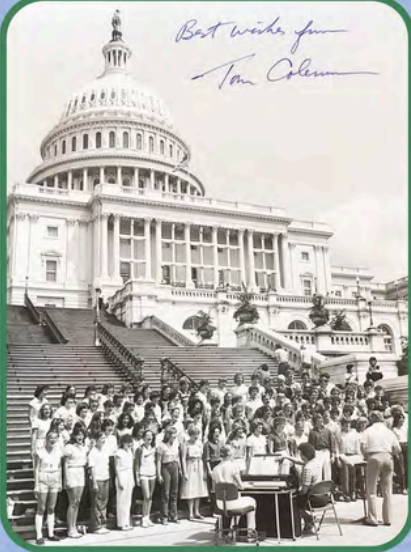

## 2022

In 2022, New G went up north to Glacier National Park, traveling through South Dakota and Montana with the sermon title "Road to the Son."

## 1971

Byron and Phyllis Myers led the first tour to Texas, starting a tradition of summer tours that continues today.

## 2019

New G was honored to lay a wreath at the Tomb of The Unknown Soldier in Arlington National Cemetery in Washington, D.C. The New G President and Vice President are pictured at right during the ceremony.

## 2025

We went on tour to Florida, traveling throughout the Southern US with our theme, "Find the Way" focused on purpose and direction.
